THEMATIC EVENT: "The life of the village"

Give to your clients the chance to discover the real life of an old Cretan Village with a lot of animation. They Watch activities, they Taste goods and they Share experiences with Arolithos local people. All over the village your clients enjoy the atmosphere of a village as it was in the past. Enrich the event with delicious meal and excellent amusement organised privately for your clients. Ask for more options adapted to your needs.

THEMATIC EVENT "Cretan Wedding"

Your clients are invited to a Cretan Wedding. They see the basic customs of a wedding presented by our animators and they participate as members of the two families. The whole village celebrates and there is much of food, drink, fun and music. After the ceremony in the church your clients enjoy a traditional meal and amuse themselves in the wedding party.
